ARCHITECTURAL PROVISIONS

Excepting the interior of units, no replacement, addition or alteration of the building, structure, fence, drainage facility, common or limited common area landscaping or planting shall be effected on any residence other than by Declarant until the plans, specifications and plat plan showing the location and nature of such replacement, addition, alteration or removal have been submitted to, and approved in writing by, the Board of Directors; nor shall any exterior painting or decorative alteration be commenced until the Board has approved the plans therefor, including the proposed color schemes, design thereof and the quality of materials to be used. All such plans and specifications shall be prepared by an architect or landscape architect or licensed building designer, said person to be employed by the unit owner making application at his sole expense. Plans and resubmittals thereof shall be approved or disapproved within thirty (30) days. Failure of the Board to respond to a submittal or resubmittal of plans within such period shall be deemed to be approval of the plans as submitted or resubmitted. The approval of the plans and specifications may be withheld, not only because of noncompliance with any of the specific conditions, covenants and restrictions contained in this Declaration, but also by reason of reasonable dissatisfaction of the Board with the location of the structure on the residence, the elevation, color scheme, finish, design, proportions, architecture, shape, height style and appropriateness of the proposed structure or altered structure, the materials used therein, or because of its reasonable dissatisfaction with any or all other matters or things which, in the reasonable judgment of the Board, will render the proposed investment inharmonious or out of

keeping with the general plan of improvement of the property or with the improvements erected on other residences. If, after such plans and specifications have been approved, the improvements are altered, erected or maintained upon the residence other than as approved by the Board, such alteration, erection and maintenance shall be deemed to have been undertaken without the approval of the Board having been obtained as required by this Declaration. After the expiration of one (1) year from the date of completion of any improvement, said improvement shall, in favor of purchasers and encumbrancers, in good faith and for value, be deemed to comply with all of the provisions hereof, unless a notice of such noncompliance or noncompletion, executed by one member of the Board, shall appear of record in the Office of the Recorder, Anchorage Recording District, or legal proceedings shall have been instituted to enforce compliance with these provisions. The approval of the Board of any plans or specifications submitted for approval as herein specified for use on any residence shall not be deemed to be a waiver by the Board of its right to object to any of the features or elements embodied in such plans and specifications, if or when the same features or elements are embodied in any subsequent plans and specifications submitted for approval as herein provided for use on other residences. No member of the Board shall be liable to any person for his decisions or failure to act in making decisions as a member of said Board. The members of the Board shall receive no compensation for their services performed pursuant to this Declaration. Upon approval of the Board, it shall be conclusively presumed that the location and height of any improvement does not violate the provisions of this Declaration.
