

ARTICLE IV

REPAIR AND MAINTENANCE

Section 1.

REPAIR AND MAINTENANCE DUTIES
OF ASSOCIATION

The Association shall maintain, repair and make necessary improvements to, and pay for out of the maintenance fund to be provided, all common areas and the building thereon; all corrective architectural, landscaping and repair work within residences, if the unit owner fails to repair the areas subject to his control and duty to maintain; all metered utilities in common areas; and all parking areas, ramps, walks and other means of ingress and egress within the project. To the extent not assessed to or paid

by the unit owners, the Association shall pay all real and personal property taxes and assessments levied upon any portion of the common areas or limited common areas. It shall further be the affirmative duty of the Association to require strict compliance with all provisions of this Declaration and to inspect the property for any violations thereof.

Section 2. GENERAL POWERS OF THE ASSOCIATION

The Association shall have all of the powers set forth in its Articles of Incorporation, together with its general powers as a nonprofit corporation, generally to do any and all things that a corporation organized under the laws of the State of Alaska may lawfully do in operating for the benefit of its members, subject only to the limitations upon the exercise of such powers as are expressly set forth in the Articles, the Bylaws and in this Declaration and to do any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the express powers of the Association or for the peace, health, comfort, safety and general welfare of the unit owners and their guests.

Section 3. SPECIAL POWERS OF BOARD OF DIRECTORS

Without in any way limiting the generality of the foregoing, in the event that the Board of Directors determines that an improvement is in need of repair, restoration or painting, or that landscaping is in need of installation, repair or restoration, or that an improvement is in existence without proper approval of the Board, or that there is a violation of any provision of this Declaration, then the Board of Directors shall give written notice to the unit owner of the condition or violation complained of, and unless the Board has approved in writing corrective plans proposed by the unit owner to remedy the condition complained of within such period of time as may be determined reasonable by the Board of Directors after it has given written notice, and such corrective work so approved is completed thereafter within the time allotted by the Board of Directors, the Board of Directors shall undertake to remedy such condition or violation complained of, and the cost thereof shall be charged to the unit owner and his condominium whose residence is the subject matter of the corrective work, and such cost shall be deemed to be a special assessment to such unit owner, and his condominium, and subject to levy, enforcement and collection by the Board of Directors in accordance with the assessment lien procedure provided for in this Declaration.

Section 4. RIGHTS OF ENTRY

The Association shall have a limited right of entry in and upon all limited common areas and the exterior of all units for the purpose of taking whatever corrective action may be deemed necessary or proper by the Association. Nothing in this Article shall in any manner limit the right of the unit owner to exclusive control over the interior of his unit. Provided, however, that an owner shall grant a right of entry to the Association, or any other person authorized by the Association, in case of any emergency originating in or threatening his unit, whether the owner is present or not. Provided further, that an owner shall permit other owners, or their representatives, to enter his unit for the purpose of performing required installation, alterations or repair of the mechanical or electrical services to a residence, provided that requests for entry are made in advance and that such entry is at a time convenient to the owner whose unit is to be entered. In case of an emergency, such right of entry shall be immediate.

Section 5. MISCELLANEOUS DUTIES AND POWERS

The Association shall have the right to install or construct capital improvements on any of the common areas. The Association may, at any time and from time to time, reconstruct, replace or refinish any improvement or portion thereof upon the common areas in accordance with the original design, finish or standard of construction of such improvement; construct, reconstruct, replace or refinish any surface upon any portion of common areas designated as a parking area; replace destroyed trees or other vegetation and plant trees, shrubs and ground cover upon any portion of the common areas; and place and maintain upon the common areas such signs as the Association may deem necessary for their identification, for regulation of traffic, including parking, the regulation and use of the common areas and for the health, welfare and safety of unit owners and their guests. The Association may delegate all of the powers contained in this Declaration to any management organization or individual, and the Association may employ personnel necessary for the effective operation and maintenance of the building and common areas of any type described herein, including the employment of legal and accounting services.

Section 6. REPAIR AND MAINTENANCE BY UNIT OWNER

Each unit owner shall maintain, repair, replace and restore all portions of his residence, including the

interior walls, ceilings, windows, floors, doors and permanent fixtures and limited common areas subject to his exclusive control, in a clean, sanitary and attractive condition.
