Application for Third Vehicle Parking

Date: _____

Name: _____

Unit: _____

Please explain in your own words the reason your household requires a third vehicle. Please understand all vehicles for which an application is made must be driven on a regular basis and there must be a substantial need. Assuming your vehicle is approved in January a yearly charge of \$600.00 (*Six hundred dollars per year*) will be billed to your account. No refunds. If the third vehicle parking permit becomes necessary after January 31st of the calendar year, is applied for and approved then the \$600.00 yearly rate will be prorated to \$50.00 per month times the remaining months left in the calendar year. Payment is expected within 30 days of the application approval and delinquent accounts will be handled in the same manner as delinquent dues.
