ARTICLE II

RESIDENCE AND USE RESTRICTIONS

Section 1. SINGLE-FAMILY RESIDENCE

Residences shall be used exclusively for single-family residential purposes.

Section 2. DESCRIPTION OF CONDOMINIUM BUILDING

There is a single two-story building (without basement) in this project with a single story level on each end of the building. The structure is a wood-frame building on a poured concrete foundation (without basement) with a pitched asphalt roof and T-111 exterior siding. The building contains eight (8) condominium units.

Section 3. PARKING AND VEHICULAR RESTRICTIONS

No vehicle which shall not be in an operating condition shall be parked or left on the property subject to this Declaration, other than on an assigned parking space. The parking spaces shall be used for parking vehicles only and shall not be converted for living, recreational or business purposes. There shall be no exposed storage deposited, accumulated or preserved anywhere on the property. No boats, snowmachines, motorhomes or other recreational vehicle shall be stored anywhere on the property for any longer than twenty-four (24) hours. Parking spaces are located and assigned to the residences as shown on the filed floor plan of the project.

Section 4. NUISANCES

No noxious or offensive activities (including, but not limited to, the repair of automobiles) shall be carried on upon the project. No horns, whistles, bells or other sound devices, except security devices used exclusively to protect the security of a residence and its contents, shall be placed or used in any such residence. No loud noises shall be permitted on the property, and the Board of Directors of the Association shall have the right to determine if any noise or activity-producing noise constitutes a nuisance. No unit owner shall permit or cause anything to be done or kept upon the property which will increase the rate of insurance thereon or which will obstruct or interfere with the rights of other unit owners, nor will he commit or permit any nuisance on the premises, or commit or cause any illegal act to be committed thereon. Each unit owner shall comply with all of the requirements of the local or State health authorities and with all other governmental authorities with respect to the occupancy and use of a residence.

Section 5. SIGNS

No signs, posters, displays or other advertising devices of any character shall be erected or maintained on, or shown or displayed from, the residences without prior written approval having been obtained from the Board of Directors of the Association; provided, however, that the restrictions of this paragraph shall not apply to any sign or notice of customary and reasonable dimension which states that the premises are for rent or sale. Address, identification signs and mail boxes shall be maintained by the Association. The Board of Directors may summarily cause all unauthorized signs to be removed and destroyed. This section shall not apply to any signs used by Declarant or its agents in connection with the original construction and sale of the condominiums as set forth in Article XII, Section 3.

Section 6. HOLD HARMLESS AND INDEMNIFICATION

Each unit owner shall be liable to the Association for any damage to the common areas or any equipment thereon which may be sustained by reason of the negligence of said unit owner or of his guests or invitees, to the extent that any such damage shall not be covered by insurance. Each unit

owner does further, by the acceptance of his deed, agree to indemnify each and every other unit owner, and to hold him or her harmless, from any claim of any person for personal injuries or property damage occurring within the residence of the unit owner, unless said injury or damage shall occur by reason of the negligence of any other unit owner, and each unit owner further agrees to defend, at his expense, any and all remaining owners who may be sued by any person for a claim for personal injury or property damage alleged to have been sustained within the residence of that unit owner.

Section 7. OUTSIDE INSTALLATIONS

Except for one television reception antennae and one VISIONS antennae, no other outside pole, antennae or clothesline shall be constructed, erected or maintained on any unit without first obtaining the approval of the Board of Directors. No wiring or installation of air conditioning or other machine shall be installed on the exterior of the building of the project or be allowed to protrude through the walls or roof of the building, unless the prior written approval of the Board of Directors is secured. No basketball standards or fixed sports apparatus shall be attached to any residence without the prior written approval of the Board of Directors.

Section 8. PET REGULATIONS

No animals, livestock or poultry shall be kept in any residence, except that one (1) domestic dog or cat, not to exceed twenty-five (25) pounds in weight and fish and birds in inside bird cages may be kept as household pets within the project, provided that they are not kept, therein for commercial purposes or in unreasonable quantities. The Association shall have the right to prohibit maintenance of any animal which constitutes, in the opinion of the Directors of the Association, a nuisance to any other unit owner. Dogs and cats belonging to unit owners, occupants or their licensees must be kept on a leash being held by a person capable of controlling the animal. Should any dog or cat belonging to a unit owner be found unattended and not being held on a leash by a person capable of controlling the animal, such animal may be removed by the Board of Directors or a person designated by them to a pound under the jurisdiction of the local municipality in which the property is situated. Furthermore, any unit owner shall be absolutely liable to each and all remaining owners, their families, guests and invitees, for any damage to person or property caused by any pets brought or kept upon the property by an owner or by members of his family, guests, licensees or invitees.

Section 9. VIEW OBSTRUCTIONS

No vegetation or other obstruction shall be planted or maintained upon any deck in such location or of such a height as to unreasonably obstruct a view from any other residence in the vicinity thereof. In the event of a dispute between owners of units as to the obstruction of a view from a residence, such dispute shall be submitted to the Board of Directors, whose decisions in such matters shall be binding. Any such obstruction shall, upon request of the Board, be removed or otherwise altered to the satisfaction of the Board by the owner of the residence upon which said obstruction is located.

Section 10. BUSINESS OR COMMERCIAL ACTIVITY

No business or commercial activity shall be maintained or conducted in any residence, except that Declarant, or a person designated by the Association as agent of the Association for purposes of managing the property, may maintain management offices and facilities in a residence or in a temporary structure constructed on the project. Provided, however, that professional and administrative occupations may be carried on within the residences so long as there exists no external evidence thereof.

Section 11. TEMPORARY STRUCTURE

No temporary structure, boat, truck, trailer, camper or recreation vehicle of any kind shall be used as living area while located on the project; however, trailers or temporary structures for use incidental to the initial construction of the improvements on the property may be maintained thereon, but shall be removed within a reasonable time upon completion of construction of the project.

Section 12. RUBBISH REMOVAL

Trash, garbage or other waste shall be disposed of, only by depositing same, wrapped in a secure package, into a designated trash container or garbage disposal. No owner of a unit shall permit or cause any trash or refuse to be disposed of on any portion of the project subject to this Declaration. No portion of the project shall be used for the storage of building materials, refuse or any other materials other than in connection with approved construction. There shall be no exterior fires whatsoever, except barbeque fires contained within receptacles thereof.

Section 13. LEASE OF UNITS

Any unit owner may lease his unit to a third party, but such a lease arrangement must be in writing and shall provide that the failure to comply in all respects with the provisions of this Declaration and the Association Bylaws shall be a default under the terms of the lease. No unit owner may lease his unit for transient or hotel purposes, nor may less than the entire unit be leased.

All units shall be utilized in conformance with owner-occupancy requirements established by the Alaska Housing Finance Corporation (AHFC) governing the number of units in the project which may be leased to third parties. No owner or owners of a unit may enter into an agreement to lease such unit to a third party without having obtained the written consent of the Board of Directors, which shall be granted on a first-come first-served basis, and be dependent only upon compliance with the most restrictive owner-occupancy requirements established by any one of the above-named entities. Request for approval of a proposed lease shall be made in writing, directed to the President of the Association and mailed by first class mail, postage prepaid, registered, return receipt requested. The Board of Directors shall grant or refuse approval of the proposed lease and, within thirty (30) days of the mailing of the request for approval, give notice thereof in writing directed to the address indicated on the request for approval. Failure by the Board of Directors to mail the notification within the time provided herein shall be construed as an approval of the request.
